# STEP 7: PROMOTE LEADERSHIP GIVING

Discuss ways to recognize leadership givers and engage new leaders with your CEO. Leadership donations generally contribute on average 60 percent of all workplace giving. Leadership donors are invited to a special "Night of Thanks" reception hosted only for leadership givers.

## What is Leadership Giving and How Should We Promote It?

- Leadership-level giving is not determined by job title but by the amount pledged.
- A leadership gift for United Way of North Central Florida is \$1,000 annually.
- A gift of less than \$20 a week equates to over \$1,000 a year.
- Leadership donors receive additional recognition in United Way of North Central Florida's annual report.
- Leadership donors are eligible for membership in an affinity group that applies to them, i.e., Women United and Emerging Leaders United.
- Join our Step Up to Leadership program for as little as \$250 in your first year! Contact Dana Clayton at [DClayton@unitedwayncfl.org](mailto:DClayton@unitedwayncfl.org) for more information.
